New York

Brandon Van Dyke focuses his practice on mergers and acquisitions and corporate and securities law matters.

Mr. Van Dyke has represented acquirers, targets and financial advisors in a number of significant U.S. and cross-border mergers, acquisitions, takeovers (both negotiated and contested), leveraged buyouts and other corporate matters. In addition, he has provided transactional advice to companies implementing corporate restructuring plans.

Industries in which Mr. Van Dyke has had substantial transactional involvement include media and entertainment, mining and metals, chemicals, pharmaceutical and health care.

Mr. Van Dyke has been repeatedly selected for inclusion in *Chambers USA* and was named as one of Lawdragon's 500 Leading Dealmakers in 2021. He also was named a 2019 BTI Client Service All-Star by BTI Consulting Group and a Rising Star by *New York Law Journal* in 2017. In 2016, Mr. Van Dyke was named a Dealmaker of the Year by *The American Lawyer* and was named an M&A Rising Star by *Law360*. Additionally, in 2012, The M&A Advisor selected him as one of the top 40 M&A professionals under the age of 40.

Representations and transactions include:

- DuPont in numerous transactions, including:

- its \$130 billion "merger of equals" transaction with The Dow Chemical Company;
- pending \$45.4 billion reverse Morris trust spin-off and merger of its Nutrition & Biosciences business with International Flavors & Fragrances Inc.;
- responding to a proxy contest commenced by Triam Fund Management, L.P., a representation recognized in the *Financial Times*' 2015 North America Innovative Lawyers report;
- its simultaneous sale of a portion of its global crop protection business to FMC Corporation and acquisition of FMC's Health and Nutrition business;
- the tax-free spin-off of its global performance chemicals business into a separate public company;
- its \$4.9 billion sale of DuPont Performance Coatings to The Carlyle Group;
- its \$6.6 billion acquisition of Danisco A/S by tender offer, one of the largest transactions in the history of Denmark up to that time; and
- \$725 million sale of its trichlorosilane business to Hemlock Semiconductor and the sale of its stake in the Hemlock joint ventures;

- DowDuPont in its separation into three independent public companies;

- Twenty-First Century Fox in its:

- pending \$71 billion acquisition by the Walt Disney Company and the related pre-merger spin-off of certain businesses and in connection with its response to an unsolicited acquisition proposal by Comcast Corporation;
- proposed, but terminated, \$80 billion acquisition of Time Warner;
- proposed, but terminated, acquisition of the remaining stake in Sky plc that it did not already own and the subsequent \$15 billion sale of its own stake in Sky plc to Comcast Corporation;
